

Public Safety

Microcredential

The Public Safety Microcredential targets traditional and adult learners in the community who wish to obtain licensure as a New York State Security Guard. For traditional students who aspire to obtain employment in a justice system profession, this microcredential allows them to acquire the knowledge and certifications to commence work in a related occupation while waiting to be age-eligible to take civil service exams. For any student this microcredential provides a direct pathway to employment in a growing local industry.

Because a Microcredential is comprised of short course sequences, requirements for a Microcredential are to be completed at DCC. Any exception to this would require departmental approval in order to transfer in credits.

No more than 50% of credits may be accepted in transfer.*

A digital badge will be awarded to students who complete the required coursework and earn a 2.0 or higher in each course.

If the Microcredential contains a certification exam, a successful score on that exam is also required for the award of the Microcredential.

**Certain courses may be required to be taken at DCC; check your specific program for these exceptions.*
