

SUNY Ulster: Veteran & Family Benefits

SUNY Ulster has been designated a Gold Top Military-Friendly School for veterans and veteran families.

SUNY Ulster's veteran students and their dependents benefit from a broad array of College-wide support as they work toward a degree.

- A Veteran Services Coordinator to provide ongoing help
- One-on-One support to maximize benefits
- Military Affiliated Community (MAC) Club
- Battle Buddy Center provides a quiet place for veterans and veteran family students to connect and work.
- Support in working with local agencies to address non-educational veteran needs

"Schools who achieve awards designation show true commitment in their efforts, going over and above that standard."

- Kayla Lopez
National Director of Military Partnerships, Military Friendly®
