DIGITAL BADGES HELP YOU SHOWCASE YOUR LEARNING

Employers - we can help with your training needs!

LET US PARTNER WITH YOU

We can quickly develop microcredentials for cohorts in your organization. We'll work with you to deliver courses that meets the needs of both your employees and organization.

SHORT TERM CREDENTIALS THAT ENABLE YOU TO LEARN NEW SKILLS

Training & Education Employers Can Trust

After completing a microcredential here at SUNY Ulster, you earn a digital badge which can be downloaded right to your LinkedIn profile, website, blog, or electronic platforms.

Badges are embedded with information employers can see with detailed information on the skills you obtained. Digital badges help you communicate and showcase your skills & competencies.

Want to upskill, advance in your career, change career direction, or just dig-deeper?

Microcredentials differ from traditional degrees and certificates; they take less time and are narrowly focused.

Offered in both credit and non-credit, our microcredentials are designed to be practical, relevant, and high quality.

EMPLOYERS, CALL TO DISCUSS YOUR SPECIAL NEEDS.
